

## ***A Year in Woolly Wonders*** by Kerry Lucas

12 quirky woodland creatures to knit throughout the year

Combining her love of nature and knitting, Kerry has created a collection of fantastic patterns for 12 quirky but delightful British woodland creatures for you to knit. Each pattern contains full easy to follow instructions detailing everything you need to know to complete your project along with a list of materials and tools required.

Also included are patterns for a set of clothes and accessories for you to make, which you can mix and match to make your own little woodland family.
